SPOTLIGHT

Interfaith
Human
Services

IHS helps low income Centre County families become financially stable and find solutions to a crisis through many different avenues.

Their Financial Care Program, The Centre County Fuel Bank, and their Free Furniture & Recycled Appliance Programs are just a few examples.

IHS has been able to help nearly 2,000 low-income Centre County residents over the past fiscal year.

Please join us to show your support on

ALLEGHENY SYNOD YEAR OF PRAYER

The Allegheny Synod Year of Prayer is a year-long effort to engage our members in prayer for others and for the world. During the month of June we pray for our partner ministries in Montana and Kenya.

Week 1: Bishop Jessica Crist of the Montana Synod

That Bishop Crist and her staff would be strengthened for ministry in the Montana Synod.

Week 2: Ministry of the Montana Synod

All the ways in which the Synod shares the Gospel with its members.

Week 3: Bishop Kahuthu of KELC

That Bishop Kahuthu and his staff would be kept safe as they travel throughout Kenya to spread the Gospel.

Week 4: Ministry of the KELC.

For the ministry of the Pangani Girls School, it's teachers; and the evangelists and pastors of the KELC.

June 14 Potluck &
From the Ashes
documentary Screening

Location:

Trinity Lutheran Church

2221 N Oak Ln, State College, PA 16803

Potluck dinner at 6:00 p.m.

Movie at 7:00 p.m.

Please join the PA Interfaith Power and Light Bike Riders for a potluck dinner and screening of the National Geographic documentary film **From the Ashes** on Wednesday, June 14, at 6:00 p.m.

From the Ashes captures Americans in communities across the country as they wrestle with the legacy of the coal industry and what its future could and should be. From Appalachia to the West's Powder River Basin, the film goes beyond the rhetoric of the "war on coal" to present compelling and often heartbreaking stories about what's at stake for our economy, health, and climate. The movie invites audiences to learn more about an industry on the edge and what it means for their lives. This is a great opportunity for those in our faith community to reflect and discuss positive actions towards a clean energy future. Let us stand up and demand that we protect Creation and the health of the planet.
