ALTAR FLOWERS

We have been in contact with Woodring's Floral Garden. Since they closed their State College location and consolidated operations in Bellefonte, we were advised that to fill the altar vases and deliver them, it would now cost \$60.00 for the pair of vases. No one is signed up to provide flowers for the month of September so the silk flowers will remain in the vases. If you check the flower chart, and had signed up, and due to the cost or other reasons, no longer want to sponsor flowers, please cross your name off. We have checked with other florists and Woodring's still offers the best deal on the 2 vases of flowers.

Saturday, August 20th - 8:00 AM

Another Outdoor Work Day is being planned.

Some of the items on the agenda are:

Removal of the Hedgerow along Atherton Street,
weeding the back flower beds,
filling in the low lying areas of the
lawn that hold water
and any other items that are identified
prior to the 20th.

Allison Wolff & Matt Gustafson welcomed

Emilia Dorothy Gustafson

a baby girl on July 27th at 8:16 am.

She was 20 inches long and weighted 7 lbs. 3 ozs.

Momma and baby are doing fine and big
sister, Scotti, is being a big help.

Trisha Hunt is the new Christian Education Chair and would like to get Sunday School back up and running this October.

Anyone interested in reinvigorating Sunday School please reach out to her by email at: synergie17@gmail.com

DEEPER WATERS

We are in the organizing stage for Deeper Waters. We will be having a kick-off picnic on Sunday, August 21st at 4:00 pm here at the church. An email has been sent out to those we know who have a child or children in 6th, 7th or 8th grade.

If you have a student who is in grades 6, 7, or 8, and have not received an email from me, please let me know. Email me at: TLCRevRon@gmail.com

We currently are deciding when to start the classes and also the time to start them.

There will be more information coming on that.

MELISSA'S STAMPEDE TEAM

Besides coordinating Toys for Tots for the past 35 years, Donna and I have had a second major fundraiser since one of our twin daughters was diagnosed with M.S. almost 12 years ago. Some of you may remember Melissa and Brandy as they grew up in State College, attended Trinity and taught Sunday School, and graduated from State High in 1999. Because of state budget issues, Melissa started her education career in Orange County, FL. Since 2003, she has taught every grade level but 8th, has been an assistant and/or acting principal at all levels, and for the past two years has been principal of Camelot Elementary. Fortunately, she has responded to medications and has led a team called Melissa's Stampede raising over \$100,000 for M.S. research over the past 11 years. This effort was centered around riding our bicycles (Melissa and myself included each year) 50 miles on a Saturday and 50 more the following day. This October will be our second year of riding from Marineland, FL to Daytona - "only" a distance of 38 miles instead of the 50's we did for the first 10 years.

There are 2 things I would ask you to consider:

1. Donate to Melissa's Stampede and help us find a cure for M.S. The link is:

2. If you know Melissa and Brandy or if you know anyone dealing with Multiple Sclerosis, please listen to a podcast from a series called Thriving over Surviving called Living Life in Gratitude with Melissa and Brandy. The podcast originator, Edie Sohigian also lives with M.S. and offers her uplifting inspiration to others. The link to the series on Apple devices:
