**Annual Yard Sale  
 May 6**

Do you know a high school student who is looking for community service credits? Please let them know about our yard sale. Over the past couple years, we have had high school students that have worked with us and we signed off on their community service

sheets. It's a win-win for both us and them. They come in and help us, and we give them well deserved credit for their labor. If you know any high school students, please pass along our contact information (email: [gladsam@comcast.net](mailto:gladsam@comcast.net), home phone: 814-231-1249) and we will get them added to the list so we can send out reminders.

Also, please remember the challenge, 1 item a day for the 40 days of Lent. if you can help out with donations, we would greatly appreciate it, and don't forget to spread the word - we will be accepting donations starting Wednesday, May 3. We tried doing a Tuesday staging last year and it worked well. It allowed us to immediately be able to disperse items when Wednesday rolls around. Please also note, if you traditionally staff a particular area, and require stored displays to be set-up that are stored above the sacristy, we really would appreciate your help on Tuesday, the 2<sup>nd</sup>.

Finally, if you are traditionally active in a given section, please let us know if you are willing to take lead in that section. Unfortunately, we have had situations over the last couple years, where people who are not members of Trinity came in to help in given sections and then tried to take over. If we can have someone to be the lead in each section please let us know, it would be a great help, so we don't have to run interference.

We want to thank all that have signed up and just want to let you know that the help will be gratefully appreciated. We will be in contact with everyone who has signed up, to confirm your commitment to this wonderful event. Let your neighbors know of the event and if they could volunteer to help with the sale, let them know that they can stop by and sign up, or they can email us at the address listed above.

Take care and God Bless!

# Christ is Risen, He is Risen Indeed!

## *Alleluia!*

God's blessing be with you as we celebrate the Resurrection of our Lord Jesus Christ. I pray that you will know our Lord Jesus loves you and is always with you and know the power of the Holy Spirit who is continually leading us and building in us faith in Jesus.

We celebrate this day that Jesus Christ is more powerful than sin, death, and the devil. On the cross, our Lord Jesus took the worst evils this world could throw at him, experienced pain, suffering, abandonment, rejection and death. Sin and evil, poured out on him by people like you and me, tried to destroy the one who had come to save this world.

In the resurrection we see the mercy and love of God that is found in Christ Jesus our Lord. Death did not win. Jesus entered into death and died, but death could not hold him. Jesus Christ is the Living Word of God, the second person of the Holy Trinity, the one through whom life and light was created. Jesus blew death wide open and he rose.

Death no longer has any hold on the one who is life.

Jesus has united us to himself and claimed us in the waters of baptism. Our lives are in Christ. When we die, it is not the end of us—we pass through death into the arms our Living God. Death does not have the ultimate hold over us, Jesus Christ does.

In the story of his resurrection, we see a Jesus who rises from death, opens his nail scarred hands and offers his love and life to a world that rejected and crucified him. He does not condemn those who killed him or rejected him. Instead, he offers love, forgiveness, and eternal life. No matter how we have strayed or fallen short, Jesus offers life and forgiveness. No matter how worthy, or unworthy, we think we are – the merciful and loving Jesus calls us into his life. Jesus forgave those who crucified him, and he forgives, loves, and calls you and me.

Jesus shows us the way of love and mercy by sending the Spirit which is leading and guiding us as we follow. On this Easter Sunday, we thank God for the gift of life we have in Jesus Christ. We give thanks to him for saving us from death and showing us a more excellent way of love and mercy.

God's blessing be with you now and always,

+Bishop Michael

## Home Nursing Agency Seeking Volunteers to Support Family Hospice Patients & Their Families

Do you want to use your life to make a profound impact for others? Consider becoming a Home Nursing Agency volunteer for the Family Hospice program. Family Hospice has the right opportunity to fit your schedule, skills, and comfort level. Volunteers offer companionship and show compassion as they support hospice patients and their families, both during the hospice care journey and after the patients have passed away. Some volunteers have hands-on roles visiting patients to provide relief and support for family members. Family Hospice also welcomes those who would prefer to work "behind the scenes" by assisting with clerical duties in the office, reaching out to grieving family members through phone calls or notes, or making weekly phone calls to ensure patients/caregivers have what they need for upcoming weekends. Volunteers can do many of these things from the comfort of their own homes. If you are interested in becoming a volunteer or would like to learn more, please contact our Volunteer Coordinator at 1-800-445-6262 or visit [www.homenursingagency.com](http://www.homenursingagency.com).

After the Sabbath, as the first day of the week was dawning,  
Mary Magdalene and the other Mary went to the tomb.

*So begins the Easter story in the Gospel according to Matthew.*

The women had lived through the pain of Friday and  
the emptiness of Saturday and were expecting death.  
All of their hope had come to a dead end.

And just then, as the first day of the week was dawning,  
hope was restored. The angel said, "Do not be afraid;  
I know you are looking for Jesus who was crucified.  
He is not here: for he has been raised, as he said."

*Instead of death – life. Instead of the end – the beginning.*

On Easter, we will have glorious celebrations in our congregations  
and worshipping communities. There will be rejoicing and music  
and flowers and alleluias. And that's a good thing.

But when the flowers fade and the pressures of life seem so heavy,  
when the brokenness of this world breaks our spirits,  
when we have come to a dead end ... rejoice. Because it is exactly  
there where the risen Christ meets us. It is precisely there where we  
are given resurrection life. It is at that point that we say, Christ is risen.

*Christ is risen indeed. Hallelujah.*
