Host Families Needed for Students from Italy

Hello Trinity Lutheran Church friends,

One of our members, John Waters, is looking for people who may be interested in hosting some medical students from the University of Bologna (Italy) this February while they participate in a conference organized by Penn State's Eberly College of Science, the Department of Biology, and the College of Medicine. Students will be attending classes, workshops, and other activities during their visit from Saturday, February 11th to Monday, February 20th, 2023 (9 nights). While the students will be busy most of the day, the host families provide an opportunity for students to experience the culture of our community in a home setting.

If you think you may be interested, please review the information and guidelines page John has shared. <https://sites.psu.edu/unibo2psu/hostguidelines/>

We are very excited to be working with you. Please send John a note if you have any questions (johnwaters@psu.edu).
