January 22, 2020

Dear Trinity Lutheran Church Congregation,

Another holiday season has passed, and once again we are thankful for the kindness and generosity you have extended to our children and families. What you have donated will be felt long after the excitement of the holiday season has dwindled.

Without your generous support we would not be as successful in helping the families in our program. Thank you for the gifts for the children in our program. We appreciate the time and effort you put into gathering these items. We often take what we consider the basic necessities for granted in our lives, but to many of the families we serve, basic necessities are often the items they most often need. Knowing that people recognize and value the mission and work we do here at Park Forest Preschool is a blessing in our lives and the lives of the children and families in our program. Thank you for your continued support of our children, families, and staff.

Our goal is to continue to offer free quality early childhood education in a warm and nurturing environment where each child feels loved and accepted while providing every child the opportunity to grow socially, emotionally, physically and academically. We certainly would not be here without continued support from our community and from organizations such as yours. Thank you for your dedication to this mission.

Kindly,

Susan E Hills
Director
