THANK YOU

Two groups did a WONDERFUL job of beautifying our outdoor space.

The Boy Scout Troop 375B was here on Monday night, April 17th and worked until dark to move quite a bit of weed and mulch.

What they didn't get done, the Zumba group that has been meeting here for years finished the work on Saturday, April 22nd.

We are so grateful to both group and for Lena Sheaffer, Bob Coyle and Rick Whitmer for spearheading this work.

The outside worship space is ready for us when the weather gets a bit warmer.

The playground is ready for children to play and all the flower beds and parking lot islands are beautiful. Thanks to all who had a hand in helping with this big project.

Next time you are at the church, take a few minutes to walk around the outside of the building and see what has been done. It certainly proves that many hands make light the work.

We can't forget our inside crew, Diane Smith, Esther Lauchle, Jean Ross and Brian Woodland.

They were here cleaning the windows and working on getting some things spiffed up. The bulk of the inside work will be completed after the Yard Sale and Out of the Cold.

THANK YOU TO ALL WHO HELPED!!

Out of the Cold: Centre County is hoping to raise \$60,000 through Centre Gives on May 10 and 11.

Our shelter renovations and new permanent shelter will allow Out of the Cold to expand its services; but only if we have the operating funds. We need to maintain and recruit qualified staff, provide case management and transportation services for guests, host educational and engaging activities in the new shelter, and more.

Centre Gives is an annual online giving event designed to encourage community giving and to support the great work of Centre County nonprofits. If the links don't work for you, try to copy and paste them into your browser.
