SUNDAY SCHOOL PLANNING MEETING

A Sunday School 2017-18 planning meeting is planned for July 25, 6:00 pm, at Trinity. Please bring your calendars so we can work out the first few meetings, plan activities and select a community outreach project. Please let me ([Lena@psu.edu](mailto:Lena@psu.edu)) know if you will be unable to attend but are interested in teaching so we can get your input. Help spread the word since we will be short a few teachers.

~Lena Sheaffer.

POLLEN PARTNERS

I would like to start a garden group that goes beyond our spring and fall clean-up. We would focus on native pollinator plants, remove invasive plants around the church grounds... and of course weed. The goal is to meet once a month for a couple hours. No experience necessary!

Please contact Danielle Lanagan: [dlanagan720@gmail.com](mailto:dlanagan720@gmail.com) if interested. We can then decide on the best time for everyone to meet.

It is time once again for the Allegheny Lutheran Social Ministry's (ALSM) Annual Appeal, called a Membership Drive. There are no meetings to attend, just funds needed to continue our work. The membership forms are in your TLC mailbox. Please feel free to send your donation to:

ALSM  
 Attention: Advancement Office

 or  
 place in Jean Quinn's TLC mailbox.

SUMMER WORSHIP SERVERS

If you would like to be part of our summer 8:15 and 10:45 worship services, please sign up on the volunteer lists in the narthex.

For those attending the 9:30 outdoor service, a task included on the volunteer list is the setup and teardown of the sound system for that service.

### Thank You Members of Trinity

Carina and I would like to thank the members of Trinity for all of your support and prayers on our bike ride to Washington D.C. The ride was very successful – we avoided rain and only had one flat tire. We arrived tired and sore at the Lincoln Memorial on Tuesday, May 24, But, by Wednesday morning we were rested and ready to meet the Pennsylvania congressional delegation. We met personally with Glenn Thompson and Carina presented him with fifty cards that many of you had filled out sharing your concerns about environment based on your faith inspiration.

~ Karl Raynar

On Wednesday, June 14, at 7:00 pm, Trinity will be hosting a screening of the National Geographic documentary film ***From the Ashes***. Please consider joining us and the other PA Interfaith Power and Light Bike Riders for a potluck dinner at 6:00 pm in Fellowship Hall.

***From the Ashes*** captures Americans in communities across the country as they wrestle with the legacy of the coal industry and what its future could and should be. From Appalachia to the West's Powder River Basin, the film goes beyond the rhetoric of the "war on coal" to present compelling and often heartbreaking stories about what's at stake for our economy, health, and climate. The movie invites audiences to learn more about an industry on the edge and what it means for their lives. This is a great opportunity for those in our faith community to reflect and discuss positive actions towards a clean energy future. Let us stand up and demand that we protect Creation and the health of the planet.
