The informal discussion group designed to explore how to age gracefully according to God's plan using comforting beach and ocean imagery is resuming in January! It will be held on all Mondays at 7 pm via Zoom. We will be using Beach Calling - A Devotional Journal for the Middle Years and Beyond by Missy Buchanan. This journal can be purchased in print, EPub, or Kindle format at Bookstore.UpperRoom.org.

All are Welcome

Please contact Carol Smith at piffy1957@gmail.com if you want to join us or if you have any questions.

As the author, Missy Buchanan says in her introduction,
"It's time to kick off your flip flops. Feel the sand between your toes. Let's walk together toward the open sea. The beach is calling."
